

Jockey Silk Banners - Memorandum 8/13/19

Attention all Horsemen, Breeders, Owners, and Trainers:

The City of Charles Town will display jockey silk banners in the weeks preceding the West Virginia Breeders Classics to support racing and the players that make it happen.

Vital Signs has offered to custom make the two-sided 30" x 72" banners featuring your silks at a discounted price of \$165.85. After the banners are displayed, they are yours to keep.

Since this is the first year, there is a maximum ten banners the city can display. In future years, the hope is to add many more.

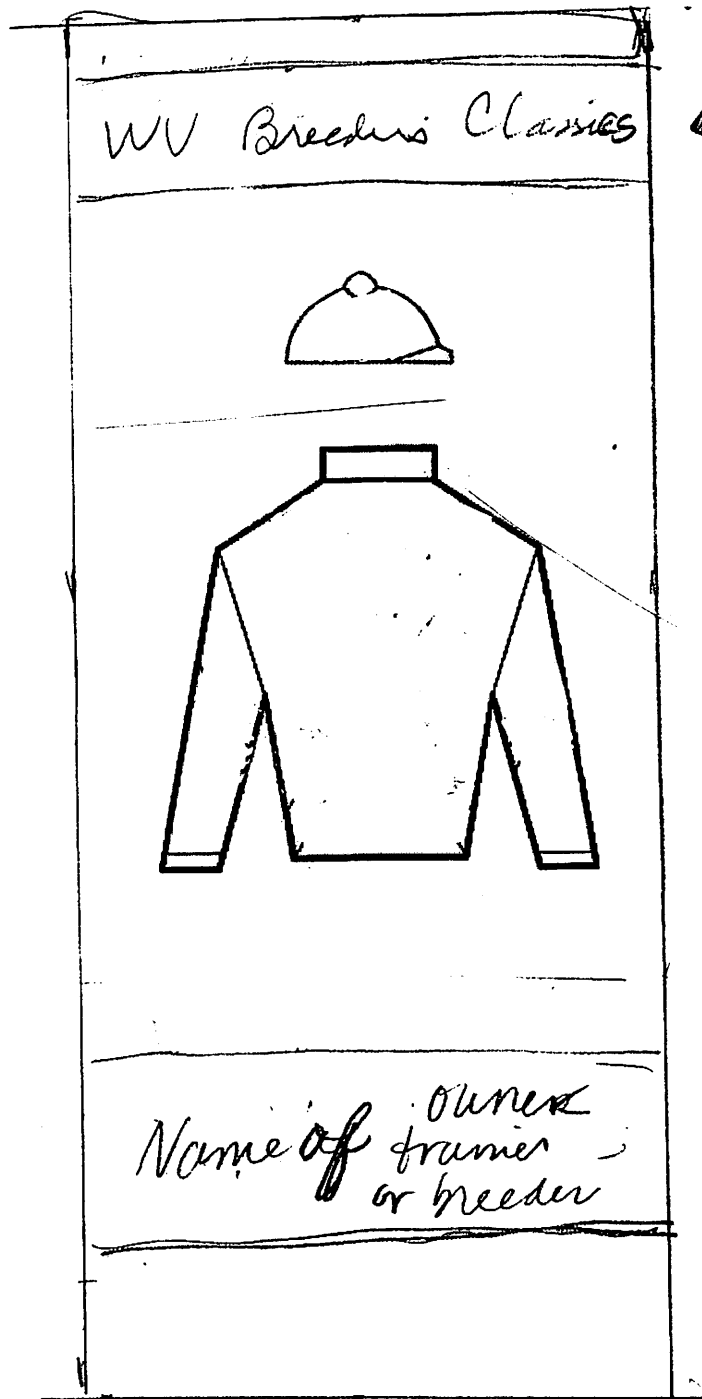

If you would like a banner:

1. Let Maria or Clissy know. First come, first serve.
2. Bring a pic of your silks and helmet (or email to vsigns@frontiernet.net) to Susie at Vital Signs, 32 Federal Way, Charles Town. It's located next to Wendy's. The phone is 304-728-7455. Also bring the name you want at the bottom, your contact information for proofs, and a check for **\$165.85**.
3. Deadline to get all information to Vital Signs is **September 6th**; if later, it may not be ready in time to be displayed on the street. This means you only have 3 weeks to get the information to Susie.

Once the banners are completed, Clissy will pick them up from Vital Signs and deliver them to the town to install. After they are taken down, she will bring them to the WTBA office for pick up by the owner of the banner. If the owner prefers to keep them stored until next year, we will make arrangements with WVBC to store them.

Any questions, contact Clissy Funkhouser 304-261-6238.

30" width x 72" height

- White background
- cap facing Right
- silks - use this silhouette, or curved sleeves if preferred
- Black lettering, easiest to see.
